(2) A component of merchandise which has been entered, but not physically removed from a zone, shall be restored to its last zone status, provided the port director determines that the component was included in the entry through clerical error, mistake of fact, or other inadvertence not amounting to an error in the construction of the law. Such an error, including that in appraisal of any entry or liquidation due to the above circumstances, may be corrected pursuant to section 520(c)(1), Tariff Act of 1930, as amended (19 U.S.C. 1520(c)(1)), in accordance with the procedures described in part 173 of this chapter.
